

1080442 | 2 in 1 HSS wood/metal drill bit - Split point - High clearance fluting **TECHNIC (Blister)**

Incredibly fast high-performance 2 in 1 drill bit for wood and metal, thanks to its high clearance fluting and split point. Made in France.

- Especially for hardwoods and terraces
- Especially for steels and aluminiums
- Maximum long life
- Incredibly fast drilling
- Made in France

- High-speed steel
- Automatic centring
- Tri-flat shank
- Type S flute
- Large chip clearance

Machine

Application

Features

Properties and benefits

- + High speed steel: type of steel especially designed for cutting tools. High strength, excellent cutting edge strength, and resistance to wear
 - ➡ Enables the optimal, long-term cutting of tools into the hardest of woods. Maximum lifespan.
- + Split-point grinding: reduction of the drill tip.
 - ➡ Enables the simple self-centring of the drill bit on the smoothest of surfaces. Significantly reduces the required axial load.
- + Tri-flat shank: cylindrical shank with 3x 120° flats, for 3-piece drill chucks.
 - ➡ Enables maximum torque transmission Prevents the rotation of the bit in the chuck. Specially adapted for through-holes.
- + Type S flute: deep flute
 - ➡ Suitable for deep drilling and for materials with chips that are difficult to extract.
- + Effective removal of chips: flutes wit effective removal, for the optimal removal of chips.
 - ➡ Enables fast drilling on account of the simple removal of chips.

Sets

6x 2 in 1 HSS metal wood drill bits Ø 2 to 8 mm
