# 1093133 | SPEEDER2 concrete drill bit with 2 cutters L260 mm - Centring tip - Quadruple flute - SDS+ TECHNIC (Hanging SDS clip) 

High-performance drill bit for the incredibly fast and precise drilling of vibrated concrete and rocks, thanks to its quadruple fluting and its cutting insert with centring point.

```
■ Especially for high-strength concretes and stone
■ Incredibly fast drilling
■ Deep and through-drilling
\square Precise drilling
| Superior long life
| SDS+ shank
■ High-strength steel
\square Multi-facetted
\square Centring point
```

Features

Properties and benefits
\# SDS+ shank: attachment for SDS+ hammer drills ( 10 mm shank diameter) compliant with the SDS+ label, up to a power of 3 joules. Maximum striking power transmission for the simple and fast processing of the most difficult materials. For bits measuring 4 to 25 mm .
$\mp$ High strength steel body: body designed in a grade of steel designed for thermal processing, enabling excellent power and torque transmission. $\Theta$ Enables optimal power and torque transmission to the head of the tool.
$\Psi$ Multi-facetted cutting insert: carbide cutting insert designed with multiple facets, promoting the effective splitting of the materials $\Theta$ Enables the excellent splitting of materials into dust, thus facilitating their extraction.

+ Centring point: carbide cutting insert designed with an integrated centring point at its centre. $\Theta$ Enables the easy centring of the drill, particularly in coarse materials. Excellent drilling precision.
