

SDS socket holder for 1/4" + 1/2" + 3/8" sockets, for use on a hammer drill (rotation function only).

- Shank adapts to SDS+
- Ball system

Machine

Features

Properties and benefits

- + SDS shank: attachment for SDS+ hammer drills (10 mm shank diameter) → Maximum striking power transmission for the simple and fast drilling of the most difficult materials.
- + Ball system → Enables the locking of the accessory without any added safety ring or pins.
